ORDER:

In G.O. 1st read above, comprehensive guide lines were issued for evaluation of various disabilities along with procedure for certification . The State Government is empowered to constitute a Medical Board of three members or more with specialist knowledge required for assessing locomotor visual / hearing and speech disability, Mental retardation and Leprosy. All the District Head Quarters Hospitals / Government Teaching Hospitals are notified as District Medical Boards and authorized to give certificates for person with disability.

2. In G.O. 2nd read above, orders were issued evolving a scientific computer aided disability assessment strategy through software for assessment of all disabled persons for issue of certificates and ID cards in a saturation mode, covering entire population of the State.

3. A meeting, was held on 04-01-2010 and 08-01-2010 under the Chairmanship of Principal Secretary , HM&FW Department . During the said meeting the following decisions were taken, among others:

- a. There shall be as many medical boards as needed to complete the screening of all persons with disability (PWDs) in a district over a period of sixty working days . Considering that about 120 PWDs can be screened on a single day , the number that can be allotted to each board shall not exceed 7,200 PWDs . For this purpose, districts have been divided in to A-B-C categories depending on the number to be screened. For ENT & Psychiatry, there shall be only one Board per district.
- b. while constituting the Boards, due care may be taken for rotating duty once in 15 days.
- c. If there is any shortfall in any district, arrangements may be made for deputing doctors from nearby districts.
- d. District wise list of Boards along with names of the doctors and reporting staff be finalized and orders may be issued constituting them as Medical Boards for this purpose
- e. Accordingly, the Commissioner, APVVP has sent proposals in the ref 4th read above, for constituting Medical Boards at District levels and requested to issue orders in this regard.

(p.t.o)

5. The Government is pleased to constitute the Medical Boards in the Districts as detailed in the Annexure to this order. Each district shall have a Coordinator Unit under the Chairmanship of the respective District Collector with District Medical & Health Officer, District Co-ordinator of Hospital Services, Medical College Superintends and Principals as members. This Unit will adjust the short fall of doctors in the Medical Board, as and when the Medical Board Doctors are in emergency casual leave or any other leave. The Coordinator Unit is authorized to adjustment for short-fall of doctors, if any, by reshuffling or by deputing doctors form nearby districts or within the same district. The entire operation shall take place over 60 working days . Each Medical Board will have 2 Groups; 1st Group works for 1st & 3rd 15 working days; and the 2nd Group works for 2nd and 4th 15th working days.

6. The Commissioner, A.P.Vaidya Vidhana Parishad and all the District Coordinator of Hospital Services / Superintendents of Area Hospitals shall take necessary further action in the matter.
